## Can I apply for a Maintenance loan if I am under age of 25?

If you are under 25 years old, you are dependent students and can apply for a Maintenance Loan based on your parents' income. However, you can apply as an independent student if you can prove you have been working for the last 3 years and have been supporting yourself financially.

Posso candidatar-me para o Maintenance Loan se for menor de 25 anos?

Se for menor de 25 anos é considerado como um aluno dependente e pode candidatar-se para o Maintenance Loan com base no rendimento dos seus pais. Porém, pode candidatar-se como aluno independente se conseguir provar que tem trabalhado e sustentando-se financeiramente nos últimos 3.
